

WHAT DOES AN INTERPRETER DO IN INTERVIEW?

1hr of interpreting can be tiring!!!

Sometimes have delay because interpreter is trying to understand the meaning first

The interpreter will not add information that is not signed – they only make it good English

Boundaries – the interpreter cannot help you if you get stuck with what to say

You sign BSL – the interpreter translates to full English sentence

REMEMBER!
If you sign something rude or swear – the interpreter may translate it!

Interpreter clarifies or asks to repeat -

- Missed spelling
- Check understanding
- Jargon

Interpreter introduces themselves to hearing person and explains how interpreting process works

Interpreter helps set up seating – sit next to hearing or in middle of deaf and hearing
